The road to college for every high school student has several different paths that must be traveled. In this time of increasing college admission standards, LEAP has put together the **Practical Approach to College (PAC)** program. With this package, you are getting the best of LEAP 's experience down each pathway of the college process at a package price. Included are services exclusive to those in the PAC program, and guaranteed early registration for ACT -SAT courses. Register now to begin equipping your child to stand out from the crowd.

PAC Family Seminars

Winter/Spring of junior year: College Selection Seminar where LEAP advises families on considerations for college selection, what to do on a college visit, suggested timelines and much more.

Summer/Fall of senior year: College Application Seminar covers different types of applications and how to complete them, how and when colleges notify students of a decision, advise on obtaining optimum recommendation letters, recommended timeline for completion and much more to help your child stand out from others.

ACT-SAT Course

The course consists of four – 90 minute strategy sessions: English, Mathematics, Reading/Science, and Essay. Each strategy session includes introduction to the ACT and SAT tests, explanation of strategies for particular questions, group practice of strategies, independent practice and question/answer time. The class also includes the administration of a three-hour ACT retired test that is scored and students can keep reviewing. At the conclusion of the course, students will have completed *at least* 3 full ACT's and 1 SAT. All courses limited to 10 students, but we offer several opportunities each time to accommodate many students.

PAC Student Workshops

Winter/Spring of junior year: College Resume Writing Workshop where students learn the importance of a resume and are guided through the process of putting one together.

Summer after junior year: College Essay Writing Workshop teaches students the essential elements of an effective essay for college application and gets them started on writing their essay. After attending the College Essay Writing Workshop, students will have a one-hour individual revision session with a LEAP writing coach. The student will refine and polish the essay started during the workshop.

College & Testing Guidance

LEAP will be here to equip you and readily assist in the college selection and application process. Your personal LEAP college advisor will make individualized recommendations on testing, college selection and more based upon your student's profile.

PAC families have the option of LEAP's College Major and Career Coaching at a discounted rate. The Birman Method is an industry leader. This multi-dimensional tool eclipses all others as it assesses what makes an individual tick and relates to best matches of 167 careers.
